To Whom It May Concern,

I am writing this letter to enthusiastically recommend Maria Mediannikova for the Massachusetts Bay Community College Dual Enrollment Program for high school students. I was Maria's Grade 7 Social Studies teacher for the 2023-2024 school year, and feel she would be an excellent addition to your program.

In her time in my classroom, Maria demonstrated a deep love for learning. Maria would often ask for feedback on assignments, and would consistently apply this feedback to her work. Maria would consistently seek extra help on assignments, staying after school frequently and asking questions in class in order to ensure a deeper level of understanding of the material. She was very dedicated to her studies, and extremely hard-working. Maria was part of our ELL program, and worked diligently to not only learn the Social Studies curriculum but to also progress as an English Language Learner. She progressed quickly, and performed very well on all classroom assignments and assessments.

I wholeheartedly recommend Maria for your program or any other she wishes to pursue. Her hardworking nature, dedication, and diligence make her an ideal candidate. If you have any further questions or require additional information, please do not hesitate to contact me.

Sincerely,

Marielle Berardi
