PROFESSIONAL EXPERIENCE

Framingham State University , Framingham, MA	<i>January 2026 – July 2026</i>
• Selected participant in the Perspectives of Earth – Team Mentorship (PETM) Program, collaborating on sustainability and STEM-focused team projects. • Conducted research, contributed to presentations and project discussions, and developed analytical, communication, and teamwork skills through mentor-guided activities.	

LEADERSHIP & COMMUNITY INVOLVEMENT

Member, Governor's Youth Climate Council, Massachusetts Office of Climate Innovation and Resilience	<i>2026 – Present</i>
• Selected to serve on a statewide youth council, collaborating with students, government leaders, and subject-matter experts to develop youth-informed recommendations on climate resilience, sustainability, and Massachusetts' clean-energy transition. • Bring a finance and data-driven perspective to climate policy, with a focus on climate finance, financial risk and resilience, infrastructure investment, affordability, and the economic impact of the clean-energy transition on households and communities.	
Founder & President, Financial Literacy Club, Keefe Regional Technical School	<i>2026 – Present</i>
• Founded and lead a student club focused on financial literacy, including budgeting, credit, taxes, college financing, investing, retirement planning, and financial careers. • Organize weekly meetings and guest speaker sessions with finance professionals and academic experts to help students develop practical financial knowledge and explore career opportunities.	
Member, Phi Theta Kappa Honor Society (PTK), Alpha Kappa Upsilon Chapter, Massasoit Community College	<i>2026 – Present</i>
• Selected for membership in Phi Theta Kappa in recognition of outstanding college-level academic achievement and academic excellence. • Engage with PTK's academic and professional network through scholarship, leadership development, career, and transfer opportunities.	
Student Ambassador, McAuliffe Center, Framingham State University	<i>2026 – Present</i>
• Serve as a Student Ambassador for the McAuliffe Center, an educational organization that connects students with STEM, sustainability, career exploration, and workforce development opportunities. • Support student outreach and recruitment for career awareness programs and events, helping students learn about different career paths and connect with employers, educators, and industry professionals.	
Student Ambassador, Keefe Regional Technical School	<i>2026 – Present</i>
• Selected to represent Keefe Tech at student showcases, open houses, family nights, and orientation events, engaging prospective students and families and highlighting the school's academic, technical, and extracurricular opportunities. • Support school outreach and recruitment by sharing the student perspective, welcoming incoming students, and partnering with faculty and staff to create a positive and informative experience for future Keefe Tech families.
